

OFFICE HOURS WITH STATE REPRESENTATIVE MARGARET SCARSDALE

Meet Your Representative

Representative Margaret Scarsdale will be meeting with constituents during office hours at the Lunenburg Public Library in March. No appointment is required, but if you wish to discuss a specific bill please email sonia.mccallum@mahouse.gov with any relevant materials so the Representative can prepare ahead of time.

Representative Scarsdale can help with things like: SNAP, unemployment claims, RMV issues, and official citations to commemorate momentous occasions. She can also answer questions about legislation, policy priorities, and district-specific issues. She looks forward to meeting every constituent and is proud to be serving you in the State House.
